## 2024 Early Bird Membership

The St Albans Football & Netball Club is your Club, and we need financial members to survive!

We understand that the cost of living is tough, and this is the same for the STAFNC. Like all organisations and community groups we have a lot of overheads to manage in order to run our club and to do this we need financial contributions across all of the extended St Albans family. This requires us to set fees across the broad membership that makes up the St Albans Football and Netball Club. Players, supporters, sponsors, past players and other community groups all contribute to the ongoing viability and success of St Albans.

The 2024 season is fast approaching, and the elected Committee of your Club have needed to review and set the fee structure across all sections. This year we have had to slightly lift the fees in order to cover the increases in costs to be able to run a successful and productive community sports club.

Your support in paying the membership associated with your connection with St Albans is paramount to the viability of St Albans and we encourage all of you to make your 2024 payments now.

**We are offering the following memberships and timelines as an incentive to have as many members paid up and ready to go for the 2024 season!**

### **Player Memberships (all grades and sections) paid in full before 31<sup>st</sup> January 2024 will:**

- receive a \$20 discount on their membership
